Women's Group:

We will be meeting this month on May 4 at 6:30pm. (Please bring a new dish towel.) We are planning an overnight from Friday, June 30 at 3pm to Saturday, July 1 at 1:30am. We will be staying at Hickory Creek Lodge in Urbana. All women are invited! Cost will be around \$46 per person. More information to come! Please R.S.V.P. to Abby at 937-510-5066.

Dr. David Stargel will be visiting on May 7th to share some information on a scientifically-based neuroscience training tool for improving cognitive performance. This tool is being used by elite athletes to heighten athletic performance and by clinicians to improve cognitive health and boost learning in students. It has been demonstrated in studies to significantly improve core mental capacities such as working memory and executive functions leading to improved attention and better inhibition and response control. Dr. Stargel is looking for some people interested in participating in a short, no-cost demonstration of the tool in order to gather some feedback from the participants.

Men's Meeting:

The men will meet for fellowship and refreshments...May 16 @ 7pm.
